1. This SF 311 (FY2015) report includes sampling and raw data collected from the Headquarters, US Africa Command, its Staff Directorates, Special Staff Offices, and from its geographically separated Joint Task Force (CJTF-Horn of Africa). This report does not include data from service component commands such as US Army Africa (USARAF), US Air force Africa (USAFAF), US Navy Africa (NAVAF), and Special Operations Command Africa (SOCAF).
2. The information contained in this report is the result of raw and sampled data that was accumulated across Fiscal Year 2015. Raw data was used to account for Original Classification Decisions; while a two-week sampling period (16-30 MAR 2016) was used to account for Derivative Classification Decisions. The Fiscal Year raw data was recorded en mass (52 weeks); and the two-week sampled data was multiplied by a factor of 26 (2x26=52 weeks).
3. US Africa Command received Original Classification Authority at the Secret and Top Secret levels in January and July of 2010 respectively. Please see attached delegations.
4. While no formal MDR's were processed through USAFRICOM during the reporting period; the USAFRICOM Freedom of Information Act (FOIA) Office maintains and annually reports the number of Command FOIA requests that include classified information.
